has successfully completed the online Specialization

# Oracle Database Administration from Zero to Hero

Congratulations on completing the Oracle Database Administration from Zero to Hero course! This achievement highlights your expertise in managing and optimizing Oracle databases, from foundational setups to advanced administration tasks. Your hands-on experience in configuring multitenant environments, managing backups with RMAN, and using Oracle utilities demonstrates your readiness to handle real-world database challenges. With this certificate, you are well-prepared to excel as an Oracle Database Administrator and contribute to efficient database management in any organization.

*Packt*

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
